Sports facilities	University Gym
Library services	University Library
Career guidance and internships	Career & Liaison Office
Student rights	Student Ombudsman
Equality, discrimination or harassment	Gender Equality & Anti-Discrimination Committee
Erasmus+ mobility	International Relations Office

University life is more than lectures and exams. Take part in student clubs, sports, cultural events, volunteering and international activities, and connect with people from Greece and around the world. Beyond campus, Heraklion and Rethymno open the door to the best of Crete: lively city life, beaches, mountains, archaeological sites, music, local food and a distinctive Mediterranean culture. Study here, build your community and make Crete part of your story.

YOUR UoC JOURNEY STARTS HERE

Make Crete part of your story!

A quick guide for international students at the University of Crete
freshers.uoc.gr/en/

Dear students,

It is a great pleasure to welcome you to the University of Crete, and congratulations on your admission!

As of today, you are part of an academic community known for the quality of its teaching and research.

The years ahead will be full of new experiences and creative challenges. Make the most of every opportunity university life has to offer, both through your studies and through our community activities.

Our faculty, administrative staff and University services will be here to support you throughout your journey.

Welcome to the University of Crete!

The Rector

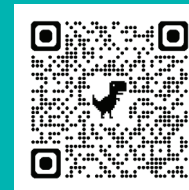

Professor Georgios M. Kontakis

Live the UoC experience on campus and across Crete

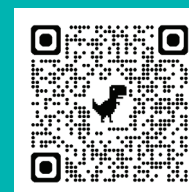

Make the most of student life at UoC

Discover student activities, sports, culture, volunteering and opportunities to connect with the University community.

And don't forget to experience Crete

Explore the island, meet its people, discover its culture, landscapes and flavors, and make the most of life beyond the classroom.

Study at UoC. Live Crete. Make it part of your story
